### **Absent:**

Normal fees apply for days absent.

CCB allows 42 days absenteeism per financial year. This is called "Initial 42 Days Absence". Absence days can be taken for any reason. You can provide medical certificates or supporting documentation for absences. Once all of the first 42 absence days have been used, you will need supporting documentation for any Additional Absence Days. If you use up all of your 42 days absences in any financial year and do not provide supporting documentation, you will have to pay full fees for any absence taken in the rest of that financial year.

If your child is absent for 2 weeks without notice the Co-ordinator may assume the child is no longer enrolled and may fill the vacancy.
