SVSS Overseas student transfer policy and processes apply to:

1. overseas students requesting to transfer prior to completing the first six months of their first registered school sector course or
2. where the student has completed the first six months of their enrolment in their first registered school sector course and wishes to transfer but the provider holds welfare responsibility via a CAAW.

Overseas students requesting to transfer prior to completing the first six months of their first registered school sector course:

Overseas students are restricted from transferring from their course of study for a period of 6 months. This restriction also applies to any course(s) packaged with their principal course of study.

Exceptions to this restriction are:

- If the student's course or school becomes unregistered
- The school has a government sanction imposed on its registration
- A government sponsor (if applicable) considers a transfer to be in the student's best interests
- If the student is granted a Letter of Release.

Students can apply to be released at no charge to enable them to transfer to another education provider. However, if a student has not completed the first six months of the principal course of study or is under 18 years of age, conditions apply.

SVSS will only release a student before completing their first 6 months of their principal course in the following circumstances:

- The student has changed welfare and accommodation arrangements and is no longer within a reasonable travelling time of the school.
- The student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with SVSS's intervention strategy to assist them in accordance with Standard 8 (Overseas student visa requirements).
- The student provides evidence of compassionate or compelling circumstances.
- SVSS fails to deliver the course as outlined in the written agreement.
- The student provides evidence that their reasonable expectations about their current course are not being met.
- The student provides evidence that he / she was misled by SVSS or an education or migration agent regarding SVSS or its course and the course is therefore unsuitable to his/her needs and/or study objectives.
- An appeal (internal or external) on another matter results in a decision or recommendation to release the student.

- Written confirmation that the new education provider will accept responsibility for approving the student's accommodation, support, and general welfare arrangements where the student is not living with a parent(s)/legal guardian or a suitable nominated relative.

SVSS will NOT agree to the transfer before the student completes the first six months of their first registered school sector course in the following circumstances:

- The student's progress is likely to be academically disadvantaged.
- SVSS is concerned that the student's application to transfer is a consequence of the adverse influence of another party.
- The student has not had sufficient time to settle into a new environment in order to make an informed decision about transfer

- The student has not accessed school support services which may assist with making adjustments to a new environment, including academic and personal counselling services
- School fees have not been paid for the current term.

- Give this completed application form and a valid offer of enrolment from another provider to the International Student Officer for assessment.
- If under 18 years of age, attach written confirmation of the parent/s or legal guardian/s support for the transfer to the nominated provider.

All applications for transfer will be considered within 10 working days and the applicant notified of the decision.
