Payment of Accounts

Terms of payment

Enrolling your children at the School includes making a commitment to making the required financial contribution to enable provision of the education. It is essential that all accounts are paid in full by the due date. Families experiencing difficulty in meeting payment deadlines should contact the Economic Development Manager to make special arrangements for settlement. Unless a formal arrangement is mutually agreed in writing all accounts outstanding after the due date will be considered overdue.

Responsibility for Paying Contributions

All signatories to the Enrolment Contract are jointly and severally liable for the payment of all contributions and charges incurred. For any change to this arrangement the school needs to be notified in writing by all signatories on the Enrolment Contract and the school needs to agree to this variation, in writing.

Overdue Accounts

The Economic Development Manager will take whatever steps are deemed necessary to recover overdue accounts and any accounts referred to a Debt Collection Agency or Solicitor will have all collection costs added to the outstanding balance. The school may, at its discretion, suspend a student pending settlement of an outstanding account. Enrolment of additional siblings may not be accepted while an overdue account remains unpaid. Overdue accounts may have an administrative fee of \$25 per month added to the account each month.

Temporary Absence of a Student

For temporary student absences of up to one term, the full term's tuition contributions will be charged. Absences of longer than one term's duration need to be negotiated by special agreement and may incur additional charges.

Notice of Withdrawal of a Student

One term's notice in writing is required advising the withdrawal of a student from the school, otherwise one term's tuition contribution may be charged in lieu of such notice.

Tax Deductible Building Fund (Optional)

Families are encouraged to donate to the school's Building Fund. Donations are fully tax deductible and enable the school to continue to improve its facilities.
